Where You'll Find Our International Students This Fall...

Our international students are doing more than attending classes—they're getting involved, building friendships, and finding their place in the FPD community!

This fall, you'll find our students on the field, in clubs, and serving others throughout our school and community. We love seeing them step outside the classroom, try new things, and become an active part of life at FPD.

Here are just a few places you may spot them this fall!

Homecoming 2026

Homecoming is one of those special FPD traditions that brings our school community together, and our international students were right in the middle of it! This year, Jannik represented the Junior Class on the Powder Puff court during Homecoming Week.
